Tax and Revenue Anticipation Notes

Fund Description

The Tax Anticipation Notes fund pays for the cost of issuance and interest expense related to the issuance of tax revenue anticipation notes (TRANs). TRANs are issued for short-term borrowing to aid the City in meeting financial obligations prior to the receipt of property tax revenues. This fund is administered by the Financial Management, City Comptroller, and Debt Management Departments.

* At the time of publication, audited financial statements for Fiscal Year 2012 were not available. Therefore, the Fiscal Year 2012 column reflects final budget amounts from the Fiscal Year 2012 Adopted Budget. As such, current fiscal year balances and reserves are estimates of carryover from the previous fiscal year.

¹Original Issue Premium is a note structure feature which results from premium couponing of the notes and is driven by investor preferences. It is budgeted by the City to pay interest due on the notes.

²Interest portion only; principal portion is provided for in the General Fund.

³The Fiscal Year 2012 Budget was an estimate; actual pricing of the notes occurred in June 2011.

⁴The Fiscal Year 2013 Budget is an estimate; actual pricing of the TRANS is expected to occur in June 2012 and will be dependent upon market conditions at that time and estimated Fiscal Year 2013 General Fund cash flow needs.
